We designed and produced ceramic surfaces in size of 600x600mm where pragmatism meets beauty, innovation completes tradition, and technology is shaped to human needs. Exclusive technologies are matched with style, taste, a passion for ceramics and a love of beauty. Our surfaces are crafted to make your space mesmerizing.

9 MM is perfect to carry out cutting, moulding, bull nosing & Chamfering process. The multiple application which 9 mm brings into life is marvellous. We are using it as a floor. We are making and promoting 9 mm safe and easy to install and economic than it's competitive products while having the better ambience and feel.
